

# CONTACTUM

Engineered quality, reliability & design

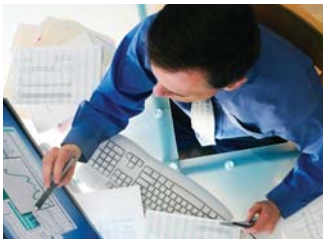

For almost 75 years Contactum has been manufacturing and designing switches, sockets and circuit protection; it remains as one of only a few who still manufactures here in the UK.

The Contactum brand has gained an enviable reputation for Quality, Reliability and Safety and is an obvious choice for the Specifier and Architect alike.

All Contactum products have been designed to satisfy the ever increasing demands of the installer, with easy installation and time saving solutions they become the chosen products for the professional electrician.

In particular Contactum are able to offer the most comprehensive and largest range of circuit protection that now complies with the 17th Edition of IEE Wiring Regulations. In addition to this, Contactum are also able to offer many bespoke products and a design service from its manufacturing facilities here in London.

Customer Service is a key ingredient to any company's success and at Contactum we pride ourselves in ensuring the highest level of customer support, starting from the distribution through to the contractor and down to the end user, making Contactum the one to choose.

# Splashproof

## Splashproof - IP66

The industry recognised Splashproof range has been specifically designed for use outdoors and also installations where there is the likelihood of high exposure to either dust or water. With the unique Isolated range, the isolator must be in the 'off' position to allow the lid to be opened. Made in England, backed with a 3 year guarantee.

- No compromise on safety with IP66 rating
- Ideal for installations such as a farmhouse, workshop, garage, garden, or near a swimming pool
- Can be made secure with a padlock
- Helps to protect your family and business from potential hazards

## 3 Phase

Contactum's single-phase and three-phase MCB Distribution board range has been developed to meet the design and installations needs of the UK Market. Designed and manufactured in the UK. Conforming to the latest British, European and International standards incorporating options for energy metering and surge protection.

- Extensive range of type A and B boards available
- 125A and 250A rating on type B boards
- From 4 to 24 way B type boards
- MCCB Incomer's 3 & 4 pole up to 250A
- Incomer enclosures with metering and surge
- Removable pan assembly
- Enclosure to IP3X
- Cable spreader and modula service boxes

## Terms & Conditions

### 1. DEFINITION

'The Company' means Contactum Ltd. 'The Customer' means the person, company, partnership or other entity, which contracts with the Company for the purchase of goods. 'The goods' means products of any kind manufactured or sold by the Company. 'VAT' means Value Added Tax.

### 2. GENERAL PROVISIONS

a) These Terms and Conditions shall supersede and take the place of any other Terms and Conditions of the Company wheresoever appearing and warranties or representations shall apply to all quotations made and all orders and contracts for the sale of goods. Any other terms stipulated or incorporated or referred to by the Customer whether in order or in any negotiations or any course of dealing established between the Company and the Customer shall be of no effect unless specifically accepted by the Company in writing by a Director on behalf of the Company.

b) No contract for the sale of goods shall be concluded until either the Company sends or otherwise communicates to the Customer its acceptance of the Customer's order or on the delivery to the Customer of the goods (whichever is earlier). All orders are accepted on the understanding that these conditions apply. The Customer acknowledges that there are no representations outside these Terms and Conditions, which had induced him to enter into the contract.

c) Contracts may be cancelled only with the Company's consent in writing by a Director and on terms which indemnify the Company for all losses.

d) If any distress or execution shall be levied upon any of the Customer's goods or if the Customer offers to make any arrangements with its creditors or commits an act of bankruptcy is presented against the Customer or the Customer is unable to pay its debts as they fall due or if being a limited company any resolution or petition to wind up the Customer (other than for the purpose of amalgamation or reconstruction without insolvency) shall be passed or presented or if a receiver, administrator, administrative receiver or manager shall be appointed over the whole or any part of the Customer's business or assets or if the Customer shall suffer any analogous proceedings under foreign law all sums outstanding in respect of the goods shall become payable immediately and the Company may in its absolute discretion and without prejudice to any other rights which it may have suspend all future deliveries of goods to the Customer and/or terminate the Contract without liability upon its part and/or exercise any of its rights pursuant to these Terms and Conditions.

### 3. SPECIFICATIONS, DESCRIPTIONS AND DRAWINGS

a) All specifications, descriptions and drawings contained in the Company's catalogues, price lists, advertisements or otherwise communicated to the Customer are intended merely to present a general idea of the goods described therein and nothing contained in any of them shall form any part of the Contract. b) The Company's policy is one of continuous improvement. The right to change designs at any time without notice is reserved by the Company. c) Notwithstanding that a sample of the goods may have been exhibited to and inspected by the Customer it is hereby agreed that such a sample was so exhibited and inspected solely to enable the Customer to judge for himself the quality of the bulk and so as to constitute a sale by sample. The Customer shall take the goods at his own risk as to their corresponding with the said sample or as to their quality or sufficiency for any purpose. d) The Customer shall furnish the Company with any necessary specifications with his order. The Company takes no responsibility for goods manufactured, priced or delivered not in accordance with the order or specifications, unless the Customer's order and specification are clear and correct in every particular. e) All drawings and works prepared by the Company shall remain the property of the Company and shall be returned to it by the Customer on demand. All such drawings shall be treated as confidential and shall not be copied or reproduced or disclosed to any third party without the prior written consent of a Director of the Company. f) The specification and design of the goods (including the copyright design right or other intellectual property in them) shall as between the Company and the Customer be the property of the Company.

g) The Customer warrants that any design or instruction furnished by him shall not be such as will cause the Company to infringe any letters patent, registered design, trade mark, copyright or amount to any breach of confidence in the execution of the Customer's order. 'Contactum' is the registered trademark of the Company.

### 4. ORDERS

The list numbers and finish required must be quoted on the order form. Quantities purchased must be in trade pack quantities and the Company reserves the right to edit orders to nearest trade pack quantities where necessary.

### 5. PRICE

a) All prices listed or quoted are exclusive of VAT and are provisional only and are subject to alteration without prior notice, and prices charged will be those current at the time of despatch of the goods for stipulated quantities only and does not hold good for lesser quantities. b) The Company is entitled without prior notice to adjust the price stated to take account of any change in specification made at the request of the Customer or any alteration before the date of the delivery of the cost to the Company, to labour, materials, sub-contracted services or any other item which directly affects the cost to the company of supplying the goods. c) Save where overnight delivery is required by the Customer whether at the date of order or subsequently orders with the net value of over £200 will be delivered free within the United Kingdom's mainland.

### 6. PAYMENT

a) Payment is due on the last day of the month following the date of the invoice. b) Where carriage, packing, warehousing, or other charges (including VAT) are stated separately from the price they will nevertheless be payable by the Customer at the same as if they formed part of the price and shall be treated as such. c) Time for payment is of the essence of these Terms and Conditions. d) Without prejudice to any other rights it may have the Company is entitled to charge interest at 8% above the current Bank of England base rate or such other rate of interest as shall be determined under the Late Payment of Commercial Debts (Interest) Act 1998 on any overdue payments.

### 7. DESPATCH AND DELIVERY

a) All delivery dates are estimates only and time of delivery shall not be of the essence of the Contract. In no circumstances shall the Company be liable to compensate the Customer in damages or otherwise for non-delivery or late delivery of the goods or any of them for whatever reason or for any loss consequential or otherwise arising therefrom. The Company reserves the right to make partial deliveries and to allocate available supplies amongst Customers in time of shortage unless otherwise agreed in writing. b) The Company shall not be liable for any loss of any kind, to the Customer arising from any damage to the goods, occurring after the risk has been passed to the Customer however caused, nor shall any liability of the Customer to the Company be diminished or extinguished by reason of such loss. c) Notwithstanding that the stated price may include the cost of carriage from the Company's premises the risk in the Goods sold shall pass to the Customer on delivery. d) The Customer shall keep the goods fully insured against all risks normally insured against, at least throughout the period between the risk therein passing to the Customer and the property therein ceasing to remain with the Company. e) In cases where the Company concludes the Contract of carriage and/or arranges for the insurance of the goods for transit the company shall be deemed to be acting solely as Agent for the Customer. f) If the goods are not delivered or upon delivery are found to be damaged or short: - I. In the event of short delivery or damaged delivery, the Customer shall give notice in writing to the Company and to the carrier within two days of receipt of goods. The packaging and contents of such goods shall be held for a reasonable period to enable inspection by the carrier company. Goods returned other than in accordance with the above will not be accepted or credited by the Company unless previously agreed in writing. II. In the event of non-delivery the Company should be advised in writing within 14 days from the date of the Company's invoice

## PROPERTY

a) Notwithstanding delivery of the goods or of any documents representing the goods the property in each item of the goods shall remain with the Company until full payment has been received by the Company for all goods whatsoever supplied at any time by the Company to the Customer. b) The Customer shall (unless otherwise agreed by the Company in writing) ensure that all goods which are in the possession or control of the Customer and the property in which remains with the Company are stored separately (at no cost to the Company) or marked so that they may be readily identified as the property of the Company and the Customer shall hold the same on a fiduciary basis as bailee for the Company. c) The Customer shall be at liberty to sell the goods in the ordinary course of business on the basis that all proceeds of sale of such goods to the extent of the Customer's indebtedness to the Company shall be retained in a separate account and held to the order of the Company until the Company's indebtedness is cleared. d) Notwithstanding that property in the goods has not yet passed the Customer may incorporate the goods in or together with any product manufactured or assembled by the Customer in the ordinary course of its business. If the Customer sells any such product before property in the incorporated goods has passed it shall do so as our Agent but the Customer's liability to account as agent for the proceeds of such sale shall be limited to our invoice value of the goods so incorporated. If, before property in the goods passes, any of the goods are incorporated in or together with any products manufactured or assembled by the Customer, the Customer shall maintain records sufficient to enable such products to be identified and for the goods so incorporated to be identified, measured or otherwise quantified. e) The Company may recover the price for the goods (and VAT thereon) notwithstanding that property in the goods has not passed from the Company. f) Until the Customer has paid for the goods in full the Customer shall upon request form the Company to the Customer deliver the goods to the Company and if it fails to do so the Company may enter the Customer's premises and re-possess whereupon all of the Customer's rights shall cease.

## FORCE MAJEURE

The Company shall be entitled to cancel or rescind any Contract without liability for loss or damage resulting there from if the performance of the Company's obligations under the Contract is in any way adversely affected by any war, strike, lockout, sit in, trade dispute, flood, accident to plant machinery, shortage of any material or labour or any other cause whatsoever beyond the Company's control.

## ASSIGNMENT AND THIRD PARTIES

a) The Customer shall not assign this agreement or any right here-under in whole or in part without prior written consent of the Company. b) The parties agree that no third party shall have any right to enforce any provision of this contract, and the Contract (Rights of Third Parties) Act 1999 is excluded.

## INDEMNITY

a) The Customer shall indemnify the Company in respect of all damage injury or loss occurring to any person or property and against all actions, suits, claims, demands, charges or expenses in connection therewith arising from the condition or use of the goods in the event and to the extent of the damage injury or loss shall have been occasioned partly or wholly by the carelessness of the Customer and his Servants or Agents or by any breach of the Customer or its obligations to the Company hereunder. b) In the event of any incidents which may give rise to damage, injury or loss and may justify recall or withdrawal, the Customer shall arrange his affairs and cooperate with the Company to facilitate such a recall or withdrawal.

## EXPORT ORDERS

a) Quotations are based on specific enquiries and subject to alteration with or without notice but these Terms and Conditions of Sale apply. b) The Customer shall, unless otherwise agreed, open an irrevocable letter of credit confirmed by an established UK bank in favour of Contactum Limited payable at sight against the production of a commercial invoice and a

clean on board bill of lading for the goods.

## LEGAL CONSTRUCTION

The Contract on these conditions shall in all respects be construed and operate in conformity with English law. If any of these conditions or any part thereof is rendered void or unenforceable by legislation it shall be so void and unenforceable by that extent and no further.

## ARBITRATION

All disputes, differences and questions which may at any time arise between the parties hereto or their respective representatives or assigns touching or arising out of or in respect of these conditions or the Contract or the subject matter thereof shall be referred to a single Arbitrator in accordance with the provisions of the Arbitration Act 1996 or any statutory modification or re-enactment thereof for the time being in force. Failing agreement the Arbitrator shall be appointed by the President for the time being of the Institution of Electrical Engineers London.

## WARRANTY

a) Except in respect of death or personal injury caused by the Company's negligence, the Company shall not be liable whether in contract, tort or otherwise to the Purchaser by reason of any representation (unless fraudulent) or any implied warranty, condition or other term as to quality or fitness for purpose, or any duty at Common Law or under the express terms of the contract, for any indirect, special, economic or consequential loss or damage (whether for loss of profit, loss of use, loss of production, loss of contract or otherwise) costs, expenses or other claims for compensation whatsoever (whether caused by the negligence of the Company, its employees or agents or otherwise) which arise out of or in connection with supply of the goods or their use or resale by the Purchaser and the entire liability of the Seller under or in connection with the contract shall not exceed the price of the goods, except as provided below. Provided however that nothing in this Clause shall operate to exclude any warranty or condition implied by law as to the quality of the goods in the event that the goods when sold by the Purchaser or when sold by any person or persons to whom the Purchaser may sell the goods shall become the subject of a consumer sale as defined in the Sale of Goods Act 1979, or any statutory re-enactment or modification thereof except to the extent that any claim under such warranty or condition shall have arisen from any act or omission by the Purchaser or by any other person or persons selling the goods by way of a consumer sale. b) The operation of the Company's wiring accessory products is guaranteed against faulty materials and workmanship for a period of 25 years (3 years for mains related electronic products) from the date of factory despatch. c) The warranty given in this Clause is subject to the following provisos, namely: I. that the products have been installed in the proper manner by a qualified and recognised electrician and in accordance with any instructions supplied with them. II. that the products have been subject to normal use and no attempt has been made to repair, alter or dismantle them. III. that the defects shall not have arisen through fair wear and tear, wilful damage, negligence, abnormal working conditions, misuse, alteration or repair of goods by the Customer without the Company's approval; IV. that the Customer shall have followed all instructions issued by the Company in relation to the goods; V. that in the case of defects which would have been reasonably apparent to the Customer on reasonable examination of the goods on delivery, the Customer shall notify the Company of the defects in writing within 14 working days of delivery; VI. that in the case of any other defects, the Customer shall notify the Company of the defects in writing within 7 working days of the date when the defect becomes apparent; VII. that where in discharge of its obligations under the Warranty given in this Clause the Company agrees that the Customer may undertake any repair or remedial work on its behalf, the cost of such work shall be agreed in writing between the Customer and the Company before the commencement of any such repair or remedial work.
